## Sew What's New for Back to School?

The fall season is quickly approaching, and we're ready to celebrate launching new products and services including a variety of eye candy sure to add some \*bling\* and excitement to your projects.

Brother is celebrating the release of a new line of powerful, advanced technological equipment, products and accessories designed, engineered and developed...by **sewing fanatics...just like you!**

**The Duetta**, will let you do it all – and do it better. Boasting an array of powerful technology, brilliant embroidery features along with inspiring new quilting and sewing features sewers only dreamed of having; auto push-button threading, auto height adjuster, auto pivot function, free motion quilting, creating an appliqué, securing a baste stitch, automatic border color sorting, and lots more, all at a touch of a button. How Cool! And how about a one year diamond membership from [anita goodesigns](#) during the introductory offer: *including 767 designs for signing up, 21 exclusive patterns 1 full size and 1 mini collection each month along with membership to the diamond club website.*

Current **Innovis 4000D owners** can purchase upgrade packages that enable you to utilize the new powerful upgrade features which are built for the **Duetta**. See a salesperson for details on the upgrade packages available for your machine.

A new value priced line of high quality machines loaded with features like a really cool instant trackball stitch selector, large LCD display screen and lots of stitches is a sure add sewing pleasure for many this busy season.
